

Hampton 10th May 1708

We the subscribers being a committee appointed by the Commoners of this town to lay out a second division of land in the out skirts of the town said division to begin one quarter of a mile inward from the former west and north division and extend one mile homeward in width and go from Salisbury old line till it comes within one mile of the sea.

First range of lots butting on Salisbury old line on the south and a highway on North. Second range butting on a highway north and south, each range 17 in number lying north and south.

Third butting south on a highway on the north partly on a highway and partly on the Hogpen farm 15 in number.

Four Hogpen farm only two lots lying east side next the common number 50 and 51.

Five butting on common on the North, partly on Hogpen: partly on other lots on south 15 in number.

Next ranges lying near wsw and ene the first being Six in number butting partly on the side of the other range of lots partly on Hogpen w?? end, east on a highway 16 in number.

Seven and Eight butting on a highway on east end being each 16 in number.

Nine butting on a highway on west and partly on Exeter Road: partly on Joseph Sanborn: partly on Tilton 12 in number.

Ten butting partly on Joseph Sanborn: partly on Exeter Road: partly on Samuel Healy on the west and on a highway on east 20 in number to make up the number of west div: 146 in all each containing about 19 acres.

This is a LOOSELY INTERPRETED TRANSCRIPTION by A.W. Bialobrzeski to assist with mapping work only. No other use is intended or purpose implied.

Hampton 10th may 1708

We the subscribers being a committee appointed by the Commoners of this town to lay out a second division of land in the outskirts of the town, said division to begin one quarter of a mile inward from the former west and north division and extend one mile homeward in width and go from Salisbury old line till it comes within one mile of the sea.

First range of lots butting on Salisbury old line on the south and a highway on North. Second range butting on a highway north and south, each range 17 in number lying north and south.

Third butting south on a highway on the north partly on a highway and partly on the Hogpen farm 15 in number.

Four Hogpen farm only two lots lying east side next the common number 50 and 51.

Five butting on common on the North, partly on Hogpen: partly on other lots on south 15 in number.

Next ranges lying near wsw and ene

the first being Six in number butting partly on the side of the other range of lots partly on Hogpen w?? end, east on a highway 16 in number.

Seven and Eight butting on a highway on east end being each 16 in number.

Nine butting on a highway on west and partly on Exeter Road: partly on Joseph Sanborn: partly on Tilton 12 in number.

Ten butting partly on Joseph Sanborn: partly on Exeter Road: partly on Samuel Healy on the west and on a highway on east 20 in number

to make up the number of West division 146 in all each containing about 19 acres.
